Kodak
ScanMate
i940 Scanner

Simplicity at your fingertips.

ScanMate i940

The only thing worse than data trapped on paper is information trapped in your computer. With the **Kodak ScanMate** i940 Scanner, collecting, managing, and distributing information is simple.

Smart Touch functionality replaces complicated multi-step scanning processes with one-touch simplicity. So, you get compact with a huge impact.

Create email attachments, picture files, and searchable PDFs — and get your documents to the cloud, so they can be accessed wherever you are.
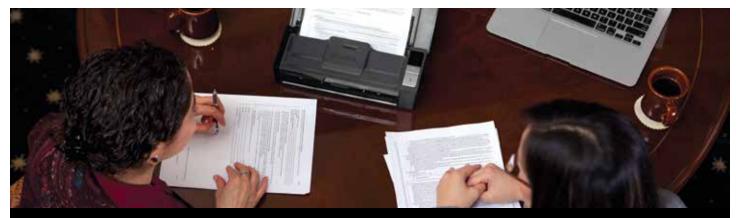

And, the USB-powered capability lets you bring all this functionality with you, wherever you go. Capture, process, and send information effortlessly.

Free your information and your base of operations with the **Kodak ScanMate** i940 Scanner.

78 mm (3.1 in.)

289 mm (11.4 in.)

10 great things you can do with the Kodak ScanMate i940 Scanner to get ahead.

Save time	Smart Touch performs multiple-step scanning and organizing operations automatically
